## Student Driver and Passengers Policy

Students who obtain a drivers licence may use a vehicle for the purpose of travel between home and school. Students are expected to comply with all current road regulations, drive safely and to use roadworthy, registered and insured vehicles. The student's licence must be valid.

- Vehicles must only be used for travel between home and school
- Students must not bring vehicles onto the school grounds
- Students are not to visit vehicles at any time during the school day
- Students are not to use vehicles during recess and lunch
- All passengers must have written consent from their parent/carer
- Passengers of student drivers will submit a signed form with their parent/carer's consent and the nominated driver's name.

### Student Misbehaviour

Where a student drives in an unsafe manner, the police will be informed and the parent/carer will be contacted informing them of the issues. Continued unsafe driving will result in disciplinary action.

Drivers and passengers not following this policy may face disciplinary action. Discretionary leave privileges may be withdrawn.
